## [GRASP program announces new mechanisms to include FMG and MC employees](#)

ADMINISTRATION

The GRASP program has been expanded to allow non-MD employees of the LLU Medical Center or the Faculty Medical Group to serve as Principal Investigators.

## [Announcing the LLUH Investigator Portal](#)

JANICE QUICK-WOLFE

The Investigator Portal serves as a central location for access to all components related to your research at Loma Linda University Health. Information is pulled from various databases into one convenient and easy-to-navigate system.

## [Research Affairs April 11 Noontime Seminar: LLEAP and Clinical Research](#)

SANDRA FIGUEROA

Research Affairs would like to invite you to the April 11 Noontime Seminar: LLEAP and Clinical Research.

## [NIH's Continuous Submission Policy](#)

NCURA MAGAZINE'S E-XTRA

Appointed members of standing NIH study sections, NIH Boards of Scientific Counselors, NIH Advisory Boards or Councils, or NIH Program Advisory Committees are all eligible for continuous submission.

## [May 10 IRB meeting cancelled](#)

ANU DIEKMANN

The only IRB meeting in May will be held on 5/24, with the deadline on 5/15. The first meeting of the month is cancelled since staff will be attending an IRB accreditation conference. Plan accordingly and submit renewals early so they don't...
