

Infection, Immunity, and Inflammation (III) Faculty

Danilyn Angeles, PhD

Professor, Basic Sciences, Division of Physiology

David Baylink, MD

Distinguished Professor, Basic Sciences

Danilo Boskovic, PhD

Assistant Professor, Basic Sciences, Division of Biochemistry

Carlos Casiano, PhD

Professor, Basic sciences, Division of Microbiology

Penelope Duerksen-Hughes, PhD

Professor & Associate Dean, Basic Sciences and Translational research,
Division of Biochemistry

Valery Filippov, PhD

Assistant Research Professor, Basic sciences, Division of Biochemistry

Hansel Fletcher, PhD

Professor & Vice Chair, Basic Sciences, Division of Microbiology

Olivia Francis-Boyle, PhD

Assistant Clinical Professor, Pathology and Human Anatomy,
Anatomy Division

Mark Johnson, PhD

Associate Professor, Basic Sciences, Division of Microbiology
Associate Program Director of Infection, Immunity, and
Inflammation Program

Isaac Kremsky, PhD

Assistant Professor, Basic Sciences, Division of Biomedical
Engineering Sciences

Eugenia Mata-Greenwood, PhD

Associate Professor, Basic Sciences, Division of Pharmacology

Gregory Nelson, PhD

Professor, Basic Sciences, Division of Biomedical Engineering Sciences

Michael Pecaut, PhD

Professor, Basic Sciences, Division of Biomedical Engineering Sciences

Christopher Perry, PhD

Assistant Professor, Basic Sciences, Division of Biochemistry

Suzie Phillips, PhD

Assistant Professor, Basic Sciences, Division of Microbiology

Ubaldo Soto, PhD

Associate Professor, Basic Sciences, Division of Microbiology
Program Director of Infection, Immunity, and Inflammation
Program

Juli Unternaehrer, PhD

Assistant Professor, Basic Sciences, Division of Biochemistry

Charles Wang, MD, PhD, MPH

Professor, Basic Sciences, Division of Microbiology

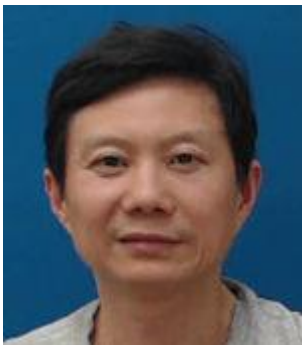

Kylie Watts, PhD

Associate Professor, Basic Sciences, Division of Microbiology

Christopher Wilson, PhD

Professor, Basic Sciences, Division of Physiology

Xiaobing Zhang, PhD

Associate Research Professor, Medicine and Basic Sciences
