(Please type or print legibly)

Name: _____ Email Address: _____

Address: _____ Phone Number: _____

University: _____ Major: _____ Expected Grad. Date*: _____

Cumulative Grade Point Average: Overall _____ Science/Math/Engineering GPA: _____

Country of Citizenship: _____

*Note: Applications will be accepted from students who have completed sophomore year by June 2023 through to those graduating from March-June 2023.

Which graduate program/s are you interested in pursuing:

PhD _____ MD _____ MD/PhD _____ Unsure _____ Other (please indicate) _____

Please visit the LLU SURF program website

<https://medicine.llu.edu/research/summer-research-programs/summer-undergraduate-research-fellowship-surf>

to learn more about the program and the research conducted by faculty that have agreed to serve as research mentors. Specify your first and second preferences for a research mentor below. Faculty mentors other than those listed on the website are allowed as long as the faculty member has agreed to serve as your mentor if your application is successful. Best efforts will be made when making matches, but please note that choices can't be guaranteed.

1st Mentor Choice: _____

2nd Mentor Choice: _____

Will you need campus housing during the program?* (available June 12 – August 4) Yes No
If yes: Male Female *you are responsible for housing, room, & board costs.

You are **required** to spend 8 weeks from 6/12/23 to 8/4/23 working full time in a research laboratory.

*Please submit the following information to: undergradresearch@llu.edu

- This application form
- Scan of current transcript (unofficial copy acceptable)
- **One page essay (do not go over one page)** that answers the following three questions:
 - Why do you want to spend your summer performing research?
 - What are your career goals?
 - What scientific research questions interest you?
- One or two references from an undergraduate professor who either supervised you while performing undergraduate research and/or taught an undergraduate laboratory course in which you were enrolled. Please instruct the referee to address their recommendation to the program coordinator (Dr. Kylie Watts) but email it to undergradresearch@llu.edu.

You will receive an email confirmation when the above four items have been received. Please note that **application outcomes will be emailed by mid-April.**
