

Clerkship / Clinical Discipline	Patient Type / Clinical Condition	Procedures / Skills	Clinical Setting	Level of Student Responsibility*
Surgery	Abdominal or Pelvic Pain	Cr, Hx, PE	I, O	Participate
Surgery	Airway Management	Skill	I, O	Participate
Surgery	Biopsy or Wound Repair	Cr, PE, Skill	I, O	Participate
Surgery	Bladder Catheterization	Skill	I, O	Perform
Surgery	Common Cancer	CR, Hx, PE	I, O	Participate
Surgery	eFAST scan	Workshop Skill	O	Perform
Surgery	Prostate Exam	PE	I, O	Perform
Surgery	Testicular Exam	PE	I,O	Perform
Surgery	Trauma	CR, Hx, PE	I	Participate
Surgery	Periop management of venous thrombosis/prevention	CR, Hx, PE	I, O	Participate
Surgery	Wound Care	CR, Hx, PE	I, O	Participate
Surgery	Postoperative complication	CR, Hx, PE	I, O	Participate
Surgery	Hepatobiliary disorder	CR, Hx, PE	I, O	Participate
Surgery	Colorectal disorder	CR, Hx, PE	I, O	Participate
Surgery	Vascular disorder	CR, Hx, PE	I, O	Participate
Surgery	Patient post-op order entry	Order entry skill	I, O	Perform
Surgery	Informed consent	CR, Skill	OSCE	Perform
Surgery	Schedule or assist with scheduling a patient for inpatient or outpatient surgery	HSS	I,O	Participate
Surgery	Attend an M & M or case review for patient safety	HSS	I,O	Participate
Surgery	Participate in timeout before procedure or surgery	HSS	I,O	Participate
Surgery	Ethics workshop			Participate
Surgery	Journal Club			Participate
Surgery	Bag mask ventilation	Skill	I, O	Perform
Surgery	Male bladder catheterization	Skill	I, O	Perform
Surgery	Interpret X-ray Abdomen	Skill	I, O	Perform
Surgery	Interpret X-ray Extremity	Skill	I, O	Perform
Surgery	Oral airway placement	Skill	I, O	Perform
Surgery	Endotracheal intubation	Skill	Sim Center	Perform
Surgery	Suture removal	Skill	I, O	Perform
Surgery	Rectal exam	PE	I, O	Perform
Surgery	Wound/Incision suture	Skill	I, O	Perform
OBGYN	Antenatal OB patient	CR, Hx, PE	O	Participate

OBGYN	Care for patient in active labor	CR, Hx, PE	I	Participate
OBGYN	Vaginal Delivery	CR, Hx, PE	I	Participate
OBGYN	C-Section	CR, Hx, PE	I	Participate
OBGYN	Breastfeeding Counseling	CR, Hx, PE	I, O	Perform
OBGYN	Family Planning Counseling	CR, Hx, PE	I, O	Perform
OBGYN	Well Women routine Screening/Counseling	CR, Hx, PE	I, O	Participate
OBGYN	Gynecological Exam	CR, Hx, PE	O	Perform
OBGYN	Evaluate for STIs	CR, Hx, PE	I, O	Perform
OBGYN	Evaluate for gynecologic cancer	CR, Hx, PE	I, O	Participate
OBGYN	Care for postoperative gyn surgery patient	CR, Hx, PE	I	Participate
OBGYN	Patient Order Entry/Daily Orders	Order Entry	I,O	Perform
OBGYN	Evaluate for breast abnormalities and or masses ( <b>formally breast disorder</b> )	PE	I,O	Perform
OBGYN	Observe a non-physician team member	HSS	I	Observe
OBGYN	Comprehensive sexual history from female patient	Hx	I,O	Perform
OBGYN	Ethics Workshop			Participate
OBGYN	Journal Club			Participate
OBGYN	Female bladder catheterization	Skill	I, O	Perform
OBGYN	Vaginal infection	CR, Skill	I, O	Perform
Neurology / Psychiatry	Depression	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Anxiety	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Suicidal Ideation	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Psychosis	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Personality disorder	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Bipolar disorder	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Alcohol Use Disorder	CR, HX, PE	I, O, ED	Observe
Neurology / Psychiatry	Sleep disorder	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Somatization symptoms	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Opioid Use Disorder	CR, HX, PE	I, O, ED	Observe

Neurology / Psychiatry	Cerebrovascular disease (i.e. stroke, TIA)	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Neurodegenerative disorder (i.e. dementia, Parkinson disease, etc)	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Movement disorder	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Peripheral nervous system disease (i.e. neuropathy, radiculopathy, etc.)	CR, HX, PE	I, O, ED	Participate
Neurology / Psychiatry	Seizure	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Headache	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Altered level of consciousness	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Dizziness, vertigo, syncope	CR, HX, PE	I, O, ED	Perform
Neurology / Psychiatry	Evaluation of current psychosocial stressors and strengths	HX	I, O, ED	Perform
Neurology / Psychiatry	Evaluation of faith/religious factors or resources	HX	I, O, ED	Perform
Neurology / Psychiatry	Evaluation of community or cultural issues or resources	HX	I, O, ED	Perform
Neurology / Psychiatry	Treatment planning by a multidisciplinary treatment team	CR	I, O	Participate
Neurology / Psychiatry	Supportive psychotherapy in the medication management	CR	I, O, ED	Observe
Neurology / Psychiatry	Group psychotherapy		I, O	Observe
Neurology / Psychiatry	Electroconvulsive therapy		I, O	Observe
Neurology / Psychiatry	Placement of a patient on a 5150 or 5250		I, ED	Participate
Neurology / Psychiatry	Attend AA or NA meeting		I, O	Observe
Neurology / Psychiatry	Attend Psychiatry Grand Rounds		I, O	Observe
Neurology / Psychiatry	Attend Neurology Grand Rounds		I, O	Observe
Neurology / Psychiatry	Adult H&P	CR, HX, PE		Perform
Neurology / Psychiatry	Neurology Weekend Day Call	CR, HX, PE	I	Perform
Neurology / Psychiatry	Neurology Weekday Evening Call	CR, HX, PE	I	Perform

Neurology / Psychiatry	Psychiatry Weekend Call #1	CR, HX, PE	I	Perform
Neurology / Psychiatry	Psychiatry Weekend Call #2	CR, HX, PE	I	Perform
Neurology / Psychiatry	Neurology Exam Sign Off	HX, PE	I, O	Perform
Neurology / Psychiatry	Discuss affordability and access to medications with a patient	HX, HSS	I, O, ED	Perform
Neurology / Psychiatry	Discuss SDOH related discharge needs	HSS	I, O, ED	Perform
Neurology / Psychiatry	Participate in goals of care discussion for serious illness	HX, HSS	I, O, ED	Participate
Neurology / Psychiatry	Ethics Workshop			Participate
Neurology / Psychiatry	Journal Club: Neurology			Participate
Neurology / Psychiatry	Journal Club: Psychiatry			Participate
Neurology / Psychiatry	Neurologic exam	PE	I, O	Perform
Neurology / Psychiatry	Ophthalmoscopy	PE	I, O	Perform
Neurology / Psychiatry	Mental status examination	PE	I, O	Perform
Pediatrics	Well child check 0-12 months	CR, Hx, PE	O	Perform
Pediatrics	Well child check 12-60 months	CR, Hx, PE	O	Perform
Pediatrics	Well child check 5-12 years	CR, Hx, PE	O	Perform
Pediatrics	Adolescent physical exam	CR, Hx, PE	O	Perform
Pediatrics	Abnormal growth (failure to thrive or short stature)	CR, Hx, PE	O, I	Perform
Pediatrics	Obesity	CR, Hx, PE	O, I	Perform
Pediatrics	Delayed development	CR, Hx, PE	O, I	Perform
Pediatrics	Upper respiratory infection (viral URI, viral pharyngitis, strep pharyngitis, croup, or acute otitis media)	CR, Hx, PE	O, I	Perform
Pediatrics	Lower respiratory tract infection (bronchiolitis, pneumonia, or asthma)	CR, Hx, PE	O, I	Perform
Pediatrics	Diarrhea	CR, Hx, PE	O, I	Perform
Pediatrics	Abdominal pain	CR, Hx, PE	O, I	Perform
Pediatrics	Rash	CR, Hx, PE	O, I	Perform
Pediatrics	Dehydration	CR, Hx, PE	O, I	Perform
Pediatrics	Fever	CR, Hx, PE	O, I	Perform
Pediatrics	Emergency presentation	CR, Hx, PE	O, I	Perform

Pediatrics	Perform a newborn exam	Perform a newborn exam	O, I	Perform
Pediatrics	Perform a well child exam	Perform a well child exam	O	Perform
Pediatrics	Perform an adolescent exam (including HEADS exam)	Perform an adolescent exam (including HEADS exam)	O	Perform
Pediatrics	Give anticipatory guidance	Give anticipatory guidance	O	Perform
Pediatrics	Calculate a drug dose	Calculate a drug dose	O, I	Perform
Pediatrics	Write a prescription	Write a prescription	O, I	Perform
Pediatrics	Perform an adolescent exam	Perform an adolescent exam	O	Perform
Pediatrics	Inpatient order entry	Inpatient order entry	I	Perform
Pediatrics	Discuss confidentiality with an adolescent patient (HEADS exam)	Discuss confidentiality with an adolescent patient (HEADS exam)	I, O	Observe
Pediatrics	Ethics workshop			Participate
Pediatrics	Journal Club			Participate
Pediatrics	Utilize translational services	Utilize translational services	I, O	Perform
Internal Medicine	Abdominal Pain	CR, Hx, PE	I	Perform
Internal Medicine	AKI or CKD	CR, Hx, PE	I	Perform
Internal Medicine	Altered Mental Status	CR, Hx, PE	I	Participate
Internal Medicine	Anemia	CR, Hx, PE	I	Perform
Internal Medicine	Chest pain or acute MI	CR, Hx, PE	I	Participate
Internal Medicine	Common adult cancer (colorectal, lung, breast, or prostate)	CR, Hx, PE	I, O	Participate
Internal Medicine	Obstructive Airway Disease (COPD or asthma)	CR, Hx, PE	I, O	Participate
Internal Medicine	Cough/Dyspnea	CR, Hx, PE	I, O	Perform
Internal Medicine	Diabetes Mellitus	CR, Hx, PE	I, O	Perform

Internal Medicine	Dyspnea or Heart Failure	CR, Hx, PE	I, O	Participate
Internal Medicine	Fever or Nosocomial Infection	CR, Hx, PE	I	Perform
Internal Medicine	Fluid Disorder/Electrolyte disturbance/Acid Base Disorder	CR, Hx, PE	I	Participate
Internal Medicine	GI bleeding	CR, Hx, PE	I	Participate
Internal Medicine	Health Care Maintenance	CR, Hx, PE	O	Participate
Internal Medicine	Hypertension	CR, Hx, PE	I, O	Participate
Internal Medicine	Liver Disease	CR, Hx, PE	I, O	Participate
Internal Medicine	Rheumatological Problem (RA, SLE, etc)	CR, Hx, PE	I, O	Participate
Internal Medicine	Admission H&P	CR, Hx, PE	I	Perform
Internal Medicine	Patient Order Entry/Admit Orders	Patient Order Entry	I	Perform
Internal Medicine	Observed Feedback (Mini-CEX)	CR, Hx, PE	I	Perform
Internal Medicine	Consult a case manager for discharge planning	HSS	I	Perform
Internal Medicine	Review daily laboratory testing and imaging that is ordered on inpatient and present the relative benefit, harm, and costs to the team	HSS	I	Perform
Internal Medicine	Ethics workshop			Participate
Internal Medicine	Journal Club			Participate
Internal Medicine	Interpret 12-lead EKG	CR	I, O	Perform
Internal Medicine	Intradermal or subcutaneous injection	Skill	I, O	Perform
Internal Medicine	Interpret X-ray CXR	Skill	I, O	Perform
Family Medicine	Adult Physical	CR, Hx, PE	O	Perform
Family Medicine	Hypertension	CR, Hx, PE	O	Perform
Family Medicine	Diabetes Type II	CR, Hx, PE	O	Perform
Family Medicine	Hyperlipidemia	CR, Hx, PE	O	Perform
Family Medicine	MSK complaint	CR, Hx, PE	O	Perform

Family Medicine	Obstructive airway disease (asthma/COPD)	CR, Hx, PE	O	Participate
Family Medicine	Skin complaint	CR, Hx, PE	O	Participate
Family Medicine	Headache	CR, Hx, PE	O	Participate
Family Medicine	Abdominal pain	CR, Hx, PE	O	Participate
Family Medicine	URI	CR, Hx, PE	O	Participate
Family Medicine	Birth Control	CR, Hx, PE	O	Participate
Family Medicine	UTI	CR, Hx, PE	O	Participate
Family Medicine	Chronic pain	CR, Hx, PE	O	Participate
Family Medicine	Thyroid Disorder	CR, Hx, PE	O	Participate
Family Medicine	Obesity Treatment	CR, Hx, PE	O	Participate
Family Medicine	STI Screen	CR, Hx, PE	O	Participate
Family Medicine	Geriatric ADL/IADL	CR, Hx, PE	O	Participate
Family Medicine	Controlled Substance (opioid, etc)	CR, Hx, PE	O	Participate
Family Medicine	Weight loss counseling	Weight loss counseling	O	Participate
Family Medicine	Smoking cessation counseling	Smoking cessation counseling	O	Participate
Family Medicine	Medication use and side effect counseling	CR	O	Perform
Family Medicine	Clinical office procedures	Clinical office procedures	O	Observe or Participate
Family Medicine	Outpatient Order Entry/Daily Orders	Order Entry	O	Perform
Family Medicine	Participate in telemedicine visit	CR, Hx	O	Participate
Family Medicine	Discuss effects of insurance/payment on patient care	HSS	O	Perform
Family Medicine	Comprehensive sexual history from male patient	Hx, HSS	O	Perform
Family Medicine	Journal Club			Participate
Family Medicine	Ethics workshop			Participate
Family Medicine	Hernia Examination	PE	I, O	Perform
Family Medicine	IM injection	Skill	I, O	Perform
Emergency Medicine	Chest pain	CR, Hx, PE	ED	Perform
Emergency Medicine	Abdominal pain	CR, Hx, PE	ED	Perform
Emergency Medicine	Acute respiratory distress / shortness of breath	CR, Hx, PE	ED	Perform

Emergency Medicine	Altered mental status	CR, Hx, PE	ED	Perform
Emergency Medicine	Fever	CR, Hx, PE	ED	Perform
Emergency Medicine	Shock / Resuscitation	CR, Hx, PE	ED	Perform
Emergency Medicine	Syncope	CR, Hx, PE	ED	Perform
Emergency Medicine	Trauma	CR, Hx, PE	ED	Perform
Emergency Medicine	Access to health care patient interview	HSS	ED	Perform
Emergency Medicine	Perform or interpret bedside ultrasound single organ assessment	Skill	I, O	Perform
Emergency Medicine	Perform or observe Ultrasound fluid status exam	Skill	I, O	Observe
Emergency Medicine	Peripheral IV line placement	Skill	I, O	Perform
Emergency Medicine	Administer IV medication	Skill	I	Perform
Emergency Medicine	Perform 12-lead EKG	Skill	I, O	Perform
Emergency Medicine	Venipuncture	Skill	I, O	Perform
Emergency Medicine	Microscopic urinalysis interpretation	CR, Skill	I, O	Perform
SUBI	Complete a comprehensive history and physical, prioritizing differential diagnosis of patient	CR, Hx, PE	I	Perform
SUBI	Inpatient admission orders	CR, Hx, PE	I	Perform
SUBI	Hand-off/transfer of patient	CR, Hx, PE	I	Perform
SUBI	Discharge preparation for patient	CR, Hx, PE	I	Participate
SUBI	Interact with or perform consulting services	CR, Hx, PE	I	Participate
SUBI	Provide continuity care for panel of inpatients	CR, Hx, PE	I	Perform
SUBI	Write daily progress note	CR, Hx, PE	I	perform
SUBI	Discussion of plans of care with patient and/or family	CR, Hx, PE	I	participate
SUBI	Participate in discussion with interprofessional teams	CR, Hx, PE	I	perform
SUBI	Summarize a translational research article	Skill	I, OSCE	Perform
SUBI	Blood cultures – obtaining or interpreting	CR, Skill	I	Perform

ICU	Respiratory distress/failure	CR, Hx, PE	I	Participate
ICU	Hypotension	CR, Hx, PE	I	Participate
ICU	Patient on cardiac monitor	CR, Hx, PE	I	Participate
ICU	Invasive hemodynamic monitoring	CR, Hx, PE	I	Participate
ICU	Ethical issue related to patients care	CR, Hx, PE	I	Observe
ICU	Write and perform a comprehensive history and physical note in a patient with multi-system illness	CR, Hx, PE	I	Perform
ICU	Electrolyte abnormality	CR, Hx, PE	I	Participate
ICU	Sedated/Non-communicative patient	CR, Hx, PE	I	Observe
ICU	Discuss goals of care for serious illness	Hx, HSS	I	Perform
ICU	Consult a clinical pharmacist	HSS	I	Perform
ICU	Arterial blood gas interpretation	CR, Skill	I	Perform
ICU	Perform or observe ultrasound guided peripheral/central IV insertion	Skill	I	Observe
ICU	Suction airway	Skill	I	Perform
CER	Critical Event	HX, PE, CR	Sim	Perform
Clinical Skills	Junior Clinical Assessment OSCE	HX, PE, CR	OSCE	Perform
TCM/Orientation	SOAP Note Writing Workshop	HX, PE, CR	Workshop	Participate
Whole Person Care	Clinical Experience 1	Hx, WPC	I,O	Participate
Whole Person Care	Clinical Experience 2	Hx, WPC	I,O	Participate
Whole Person Care	Clinical Experience 3	Hx, WPC	I,O	Participate
Whole Person Care	Clinical Experience 4 (with Chaplain)	Hx, WPC	I,O	Participate
Whole Person Care	WPC Note 1	Hx, note writing, WPC	I,O, ED	Perform
Whole Person Care	WPC Note 2	Hx, note writing, WPC	I,O, ED	Perform
Whole Person Care	WPC OSCE	Hx, WPC	I,O	Perform/Sim
Whole Person Care	WPC Simulation	Hx, PE, WPC, HSS	I,O	Participate/Sim
