

Basic Science Student Council (BSSC) Pulse

**“For He will
command His
angels concerning
you to guard you in
all your ways.”
-Psalm 91:11**

This is a publication put out quarterly by the BSSC. Please contact the BSSC President, Christina Du Ross (cduross@llu.edu), with any questions or comments.

Thank you for a GREAT year!

LOMA LINDA UNIVERSITY
HEALTH

Happy Holidays

As the quarter comes to an end and you all begin to travel home, please stay safe this holiday season. We wish you all a relaxing break and are excited to start the new year.

Sincerely,

BSSC

Newest BSSC Officers

We are excited to announce that Cole Knox has been voted in as BSSC Vice President. Also, Taylor Kelln has been voted in as our new Treasurer.

Fall 2017 Events

Holiday Brunch – December 4th 12:00pm-2:00pm Alumni Hall Rm 330.
Please see the flyer below.

A Reflection On the Year

Kids rock - On October 28th, Basic Sciences had the first volunteer activity of the year in partnership with the Community-Academic Partners in Service (CAPS) office at LLU. We had 5 students volunteering for the event and approximately 6 parents. We had a rewarding time with the kids as we played games, sung songs and assisted them with arts and crafts. Come and join us for the next volunteer

During this Holiday season, it is crucial that you rest and enjoy your time with loved ones. It has been our pleasure serving as your BSSC officers.

Happy Holidays,

activity which is the *Christmas Fiesta on Dec. 9 from 1-4pm*. The next Kid's rock will resume in February, STAY TUNED!

Vespers – On November 17th, BSSC held its first vespers. This event was highlighted by Dr. Soto and Miguel Serrano who graciously led us in two devotionals. Furthermore, we thank those provided the potluck items for the 30+ Basic science students who attended. We look forward to our winter and spring vespers!

Basic Sciences Research Symposium – Congratulations to the following Basic Science Symposium 2017 Award Winners:

Christina Du Ross (Dr. Casiano Laboratory)

Sonia Whang (Dr. Duerkson-Hughes Laboratory)

Meghri Katerji (Dr. Duerkson-Hughes Laboratory)

Please stay tuned for the abstract submission dates for the 2018 Basic Science Symposium!
