

Recommendation Letter Instructions

Letters of recommendation are a critical component of each student's application. Please provide us with a thoughtful evaluation of your student's preparedness for the MITHS Program by attaching a formal recommendation letter on school or church stationary paper. The letter must be returned to the student in a sealed envelope signed across the seal. Emailed letters will not be accepted.

Please include the following in your letter of recommendation:

- Please provide a brief description of your course and all level of math/science this student will have attained by the end of his/her junior year.
- Please assess how this student has performed in your class relative to his/her peers.
- Please address inconsistencies, if any, with science/math course grades and SAT/PSAT or ACT score.
- Please discuss this student's learning style.
- How will this student benefit from the MITHS experience?
- Please discuss this student's perceived strengths and weaknesses.

Letters of recommendation should be sent to:
