

Undergraduate Training Program

We invite you to apply to our summer Undergraduate Training Program, which starts June 12, 2017 and ends August 4, 2017. For additional information, please visit our website: <http://www.llu.edu/utp>

The educational mission of the Loma Linda University Center for Health Disparities and Molecular Medicine is to increase the number of scientists and physician scientists from diverse backgrounds involved in biomedical research, and to eliminate health disparities.

Benefits for Participants:

- A paid summer biomedical research experience.
- Workshops designed to enhance analytical writing and reading skills.
- Seminars on health disparities and biomedical research topics.
- Mentoring from outstanding scientists.
- Networking with other students, physicians, and health professionals.
- Increasing your competitive advantage when applying for graduate programs.

DEADLINE FOR APPLICATIONS IS March 15, 2017

LOMA LINDA UNIVERSITY
