

Integrated Biomedical Science Seminar Series

"Cardiac Vascular Progenitor Cell in Modulating
Blood Flow of Ischemia"

Presented by

Jia-Qiang He, PhD

Associate Professor of
Stem Cell Physiology
Department of
Biomedical Sciences & Pathobiology
Virginia Polytechnic Institute & State
University,
Blacksburg, VA, USA

April 18, 2019, 4:00PM
Alumni Hall Amphitheater

HOSTED BY
Charles Wang, MD, PhD, MPH

LOMA LINDA
UNIVERSITY

School of Medicine
